1 The Journey Begins `DUBAI / MEI 0-8 S IN PRESENTATION`

☐ 

EXTRA Drone orbit around the sail

Slow drone orbit around the Burj Al Arab for an alternate opening reveal. *Offered as an alternative to 01. Pick one in the edit.*

`Drone / wide / 24mm-equivalent / 25fps / Drone`

☐ 

EXTRA Static low-angle signage hero

Static low-angle shot of the MEI signage, clean and symmetrical. *Doubles as a clean plate for the logo.*

`Wide / low angle / 24mm / 25fps / Tripod, low`

☐ 

EXTRA Shaker whip pan (transition)

Shaker sweeps across frame in a whip pan, built to cut into the next location. *Match the shaker's screen direction with S2-01 so the handoff cuts together.*

`Medium / whip / 35mm / 25fps / Gimbal or fluid head`

2 The Shaker's Journey `FLYING ELEPHANT (FE)`

1. The Arrival at Flying Elephant

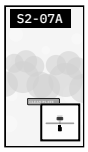

The shaker continues across the FE bar. The mixologist reaches out and stops it with his hand. As he catches it, a cloud of smoke appears for a smooth transition.

☐ 

EXTRA Catch from a wider action angle

The catch seen wide, from slightly off axis, showing the shaker and the mixologist's reach. *Your notes ask for the catch wide and as a tight hand detail.*

`Wide action angle / 35mm / 50fps / Tripod`

☐ 

EXTRA Clean smoke plate

Locked-off clean smoke transition plate with no hands or props in frame. *Your notes ask for a clean plate if needed.*

`Detail / locked off / 50mm / 50fps / Tripod, locked`

4. The Art of Mixology

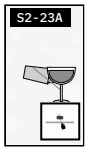

Close-ups of him mixing, shaking, pouring and finishing the drink.

☐ 

EXTRA Continuous preparation master

One uninterrupted medium take of the whole preparation, from reaching for tools to the finished pour. *Gives the editor a continuous action to cut inserts into.*

`Medium / 35mm / 25fps / Tripod`

☐ 

EXTRA Backlit slow-motion pour

Second angle on the pour, backlit and low, in slow motion.

`Close-up / low angle / 90mm macro / 100fps / Slider`

3 The Meeting `LOCATION NOT STATED IN THE SCRIPT`

☐ 

EXTRA Reverse OTS: the offered glass

Reverse over-the-shoulder from behind the FE mixologist toward the person receiving the glass. *Keep eyelines consistent with 17.*

`Over-the-shoulder / 50mm / 25fps / Tripod`

☐ 

EXTRA Toast in profile

Side-on profile of the toast with both faces soft at frame edges. *Gives a second angle on the clink.*

`Medium close-up / 85mm / 50fps / Tripod`

☐ 

EXTRA Handshake wide from behind the bar

Handshake seen wide from behind the bar, both figures in frame. *Covers the handshake from a second angle, as the continuity notes ask.*

`Wide two-shot / 35mm / 25fps / Tripod`

4 The Takeover `FLYING ELEPHANT`

☐ 

EXTRA Reverse-side dolly out

Same pull-back from the opposite side of the bar. *Alternate to 24. Keep screen direction consistent with 25.*

`Wide / dolly out / 24-35mm / 25fps / Dolly`

☐ 

EXTRA Final clink from a second angle

Final clink from a lower angle, side-on, with a back-bar flare behind. *Second angle on the final clink.*

`Extreme close-up / 90mm macro / 100fps / Tripod`

☐ 

EXTRA Clean hero plate for the brand lockup

Locked-off wide of the bar with both mixologists still, held for the logo. *Hold at least 5 seconds of stillness for the logo.*

`Wide / 24mm / 25fps / Tripod, locked`
